| <input type="checkbox"/> | Smartphone/camera |
| <input type="checkbox"/> | Yaktrax or Microspikes |

IMPORTANT THINGS TO REMEMBER

1. **Do not** leave any fluids (white gas fuel, drinks) in your backpack while you are carpooling.
2. Label all gear before you carpool, for easy ID at the tram parking lot (trekking poles, snowshoes/skis, fuel & water bottles).
3. Be on time for your carpool, so your group can leave as scheduled at the tram station.
